Dear Sir: Re: Jozef Konarkowski

In reply to your letter of August 7th, I wish to state that the above-named displaced person had gained entrance into Canada during the early part of April.

He did not use any of the papers which you prepared for me and it was not necessary for me to help him financially. I did not advise you of this fact because I didn't think it was necessary.

Thank you for your assistance and interest.

Very truly yours,

Clara Wesolek

Dear Madam:

To-day I received all necessary documents in bringing your cousin into this country, signed by you, and have already forwarded the same by registered, air mail letter to your cousin who in turn will forward them to the American Consul with a personal plea for his immigration visa. All documents must be accompanied by a personal plea from the immigrant, and for that reason we had to forward all the documents directly to the immigrant.

I sell steamship tickets from all steamship companies, and would appreciate it if the same would be purchased through my office, as then I would see that the immigrant received a good reservation.

If there is anything I can do in the future, please feel free to write me, and I shall gladly assist you in any matter.

Very truly yours,

Notary Public.

Dear Sir:

Enclosed are the three (3) affidavits of support and three (3) statements of my bond holdings, properly notarized.

Am I right in assuming that you will forward all the necessary papers to the American Consul?

When the time comes that the alien is ready to come to the United States, can steamship tickets be procured from you or must they be purchased from another source?

Thank you for your interest and assistance in this matter.

Very truly yours,

Clara Wesolek

Dear Miss Wesolek:

This will acknowledge the receipt of your check for Fifteen ($15.00) Dollars, as well as, the statements for which I thank you.

I have prepared the Affidavit of Support which kindly sign all three copies in lower right hand corner, right after red checkmark: Clara Wesolek. I would suggest that Magdalena Wesolek, whom I believe is your mother, also sign the Affidavit of Support, in lower left hand corner, also after checkmark: Magdalena Wesolek. I am also enclosing Three (3) copies of Listing of United States Savings Bonds which please sign also after red checkmark: Clara Wesolek. All these papers must be signed in the presence of a Notary Public, notarized by him, and his seal affixed.

I am returning your list of Savings Bonds, as you may need the same in case if your bonds were burned, or stolen.

Unless immigrants are under 21 years of age, and live at the same address as other immigrant, separate affidavits must be prepared for each individual, but may be signed by the same person, that is you. For each Affidavit, a new set of statements must be sent.

Very truly yours,

Dear Madam:

If you or your mother wish to bring a relative to America, for permanent residence, one of you, or both of you should have the following three things:

1. Be United States citizens.

2. Have a steady weekly or monthly income.

3. Have valuables, such as money in the bank, or bonds.

Our fee for preparing such documents would be Thirty ($30.00) Dollars. If you will fill out the enclosed application, and return to us with a deposit of Fifteen ($15.00) Dollars, or the full amount of Thirty ($30.00) Dollars, we will start preparing such documents.

We suggest that you do not delay the matter, as the Consul in Warsaw is registering immigrants who have documents prepared by us, already.

Very truly yours,

Notary Public.
